PHOTO NON-USE REQUEST

Use this form to ask 304·681 Photography not to use your photos in its marketing.

304·681 Photography may use photos from your session in its portfolio, website, social media, and promotions. If you do not want your photos or your face shown, complete this form before your session or at any time afterward, and I will stop using them going forward.

SIGNATURE

I understand that this stops future use. Photos I have already received are still mine to enjoy for personal use. 304·681 Photography will remove existing posts from its own website and accounts where reasonably possible. It cannot undo copies that others have already saved or shared. I understand that 304·681 Photography still owns the copyright to the photos, and that this request does not change my delivery or personal-use rights.
